On Friday March 16<sup>th</sup> the Graduation class of 2012 will be having a Grad Wake-a-thon to fundraise and to increase the sense of community and togetherness.

During the evening, the class will be enjoying many activities. There will be movies, music, games, video games, a boxing bouncer, sumo suits and many other fun activities. We will also be providing breakfast for the grads and we will have a concession open all night for pizza, snacks and other items.

The cost for each grad will be \$15.00. This will cover all activities and breakfast. Students will remain at school from 8:00 am Friday morning to 8:00 am Saturday. Students with work commitments and other activities will be allowed to attend and will need to confirm on the form below when they will be arriving so someone can let them into the school. No students will be allowed to leave or arrive after 10:00 pm without specific permission from administration.

Please return the bottom portion of this sheet with the fee to Mr. Payne before Friday, March 2, 2012.

Thank you.

Mr. Payne
