HJ Cody High School requires the following:

In order to participate in the HJ Cody High School Graduation Ceremony, a student must be a full-time student as per HJ Cody policy (i.e. must be registered in a minimum of 30 credits). The student must be enrolled in a program that will enable him/her to graduate by June 30 of the graduating year. To determine this, we require that students have completed 80 credits by February 1 and are enrolled in sufficient courses by March

6 of that year to graduate. Individual circumstances may be considered. Students on any Distance Education/Work Place Learning Programs are to have half of the course completed by **April 27, 2012** in order to qualify for the HJ Cody High School graduation list.

Students do not automatically qualify to graduate. Students must apply to take part in the graduation ceremonies. This application form must be completed and submitted to the guidance office in order for students to qualify for participation in graduation ceremonies.

***All school fees must be paid before you can take part in the graduation ceremonies. Grade 12 students must be enrolled in a minimum of six courses.

We want to have a grad list posted by **May 11th**.

We are asking students to submit this application to the Guidance Office (Mr. MacVicar) at their earliest convenience with the deadline of **April 13th, 2012**.
