Dear parents and guardians,

Amazingly, students only have 21 instructional days left in this school year. It is important for students to ensure they are working hard to complete all assignments, assessments, and reassessments to be prepared for their final exams. Our exam schedule for June is attached and is also posted on our website. A reminder that our last day of regular classes is on June 21st, but it is expected that students attend all tutorial sessions up until their exam in each course. Details of our tutorials will be communicated to you and our students in the next couple of weeks.

We would love to have as many parents and community members join us on June 2nd to participate with our staff and students in our Walk-A-Mile event. All students and staff will be walking a mile in high heels to raise awareness about sexualized violence. The fundraising efforts of Walk-A-Mile are donated to provide many services to women, men and children who have chosen to pursue a healthier, safer and more secure life. The event begins with a presentation in our gym at 11:10 and the walk will begin from the front of our school at 11:30.

University of Lethbridge and Lethbridge College

On May 17th the Careers Department at HJ Cody was pleased to bring 25 students to the University of Lethbridge and Lethbridge College to spend a day touring their facilities and discussing programs with the Recruitment Departments at each Institution.

It was a long drive, but worth it! Students had the opportunity to speak with representatives from the schools and experience "Boots on the Ground".

Thank you to those who support this program. We are next planning a trip to Red Deer Polytechnic for May 30th with a Trades focus in the morning and an Academic focus in the afternoon.

See Mr. Payne for more information.

GRADE 9 TIME CAPSULE

DO NOT OPEN UNTIL JUNE 2025

DUE: June 28, 2022

What is it?-A time capsule! Each student currently in grade 9 who chooses to participate will write letters to their classmates and collect letters from friends and family. The time capsule will be “unearthed” for grad in June, 2025, on the last day of classes.

Who is participating?-All current Grade 9 students.

What can go into the time capsule?-Letters and notes from parents, guardians, siblings, grandparents, aunts, uncles, cousins, nieces, nephews, friends, family friends, neighbours, coaches, teachers, and anybody that plays an important role in your child’s life

- Photos and pictures
- Any memorabilia, including drawings, art, poems, and creative writing done by the student (anything that showcases his or her current abilities)
- Favourite sayings or mottos
- A letter from students to themselves

What should not go into the time capsule?-Anything bulky (nothing thicker than photographs; CDs could be included!)

Final Tips-Feel free to place letters in envelopes, but please do not seal the envelope, as each letter will be skimmed to ensure that letters are not only directed to the correct student, but that there is no risk of bullying or negativity. This is not intended as an invasion of privacy, but rather to guarantee that each student has an overwhelmingly positive experience.

NEW: If students bring letters for their OWN time capsule directly to their teacher, there will be no need to skim them, and envelopes may be sealed.

- While we hope that students take the time to write and collect letters, we do not wish for the time capsule to distract them from their class work or studying for final exams.

Where can letters be dropped off?-To the bin in your FIRST BLOCK CLASS or to THE OFFICE.

Thank you for taking the time to consider this project. It is truly a unique experience for each student, and has become a tradition at École H.J. Cody School. If you have any questions or concerns, please do not hesitate to contact the coordinator of the project, Kelsey Wilson, at kwilson@cesd73.ca. Thank you again for your participation.
