

HJC LAKERS

Dates to Remember

- June 21: Indigenous Peoples Day & Last day of classes
- June 25: Grad!
- June 22-28: Final Exams

Please join me in congratulating Landon Black as our valedictorian this year. Landon currently has a 98.6% overall academic average which is the highest average anyone has ever achieved at our school. Landon is involved with our grad committee, he is a peer tutor, a student athlete, and is very supportive of his graduating peers. Landon has been accepted to the University of Alberta next year to pursue Engineering. Congratulations Landon, we are honoured to have you as our valedictorian of the 2022 graduation class.

Greetings from Ecole HJ Cody School!!

Let us begin by expressing our sincere gratitude for the continued support that HJ Cody students receive from our community. The last two years may have looked different, but thanks to our community partners, our Academic Awards Program has celebrated our students' successes through it all. In the midst of the disruptions and constant pivoting, our donors made it possible to recognize the dedication, the excellence and the promise shown by our students. We are hopeful that, as we once again have opportunities to connect in person, you will be excited to accept the invitation to participate this year. Your donation makes a powerful statement to our students about what is valued in our community—hard work, excellence, leadership and determination. Your support communicates the fact that this community is indeed invested in the success of future generations.

Can we count on your support? Here is the link to the pledge form:

We are always looking to build our program so with that in mind, if you know of others who would be interested in supporting our students' achievement and hard work, selfless service and determination, please feel free to share this message.

Thank you for your role in building this amazing community that we share, and for your investment in our youth.

With deepest gratitude,

Theresa Donaghy & Jas Payne
