The Ment-to-Matter (In-school Mentoring) Program is starting back up this year! This is an opportunity for HJ Cody students to mentor students in our elementary or middle schools in need of a positive role model. This is a fun opportunity to build leadership skills and gain work experience while earning school credit! Students will provide mentorship once a week during their lunch hour and flex block. For more information visit sylvanlake.ca/youth or ask the office for a mentor application. Mentor training will be provided for the successful applicants. There will also be a recruitment day during lunch on September 22, 2022 outside the office.

Kind regards,

Mike Garrow, Principal

Flannel and Feast Volunteers Wanted- The town is looking for some youth volunteers to help with craft stations, the petting zoo and the hay maze (hiding candy) on Saturday, September 24.

Descriptions of the volunteer opportunities and application forms are located in front of the office.
