

# HJC LAKERS

## Dates to Remember

- December 9: Non Instructional Day - No School
- December 26 - January 6: Christmas Break
- January 9: Return to School
- January 20: Last Day of Classes
- January 23-26: Exam Week
- January 24: Athletic Society Meeting 6:30pm

Dear Parents and Guardians,

After this weekend, students only have 15 days of class left until the end of the semester. Please assist us by encouraging your child to work hard over this last week before the holiday break. Students need to complete all assignments and assessments, re-do any reassessments their teachers may offer, and schedule time to study each night to put themselves in the best academic position before the month of January.

The first day back after the break is January 9th and the last day of regular classes is on January 20th. Our official exam week begins on January 23rd but there are many exams scheduled before then. We will have tutorials scheduled before and during our exam week to help support the success of our students. Please refer to the exam and tutorial schedules attached to this Cody Corner to map out a plan with your child to effectively prepare for their finals.

If at any time you would like to talk to any of your child's teachers, please do not hesitate to email them. Their email can be found on our website under the "About" tab.

Thank you,

Mike Garrow, Principal  
mgarrow@cesd73.ca  
403-887-2412

**Research  
shows  
that**

missing 10 percent of the school days, or about 18 days in most school districts, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absence.

laxbuccaneers

Hey Lakers! You ever wonder what it's like to raise a fish from a tiny egg and then release it into the wild? Me too! So, let's do this thing. There is a crazy cool government program called FinS (Fish in School) for which HJC has been approved. We have the passion, but we need some funds in order to make it happen. If you are equally passionate about raising fish and releasing them, and have some extra funds kicking around (or a company looking for a charitable donation), then we would love to hear from you. For more information please contact Nicole Round at [nround@cesd73.ca](mailto:nround@cesd73.ca) or 403 887 2412

## Candy Grams

Certified teachers with significant curriculum experience provide the tools and expertise for these sessions. Along with study notes and practice exams, this program provides a very effective Diploma Exam review.

Registration is online and all courses are in person at Lindsay Thurber Comprehensive High School in Red Deer. For more information call 403-356-5315
