- Dates to Remember**
- January 20: Last Day of Classes
 - January 23-26: Exam Week
 - January 24: Athletic Society Meeting 6:30pm
 - January 30: School Organizational Day, No School
 - January 31: Semester 2 Begins
 - February 10: Collaborative Day, No School

Dear Parents and Guardians,

Today is the last day of regular classes for semester one. Please read through the attached tutorial schedules and exam schedule for the times that students need to be here next week. Once their tutorial or exam is finished, students are not required to be here. Our common area will be available for a study location but all other rooms will be utilized for tutorials and exams. The first day of semester two is January 31st.

On February 2nd at 9:00am we have arranged for MADD Canada to present a powerful dramatization about the tragic consequences of drug and alcohol impaired driving. Students will be called down to the gymnasium for the presentation and I encourage parents who are interested to please attend. Family school wellness will be available to our students during and after assembly for support.

The Alberta Teachers' Association is asking for parents to share their thoughts on our current and future education practices. What are your hopes for Alberta's children and our public schools so that they can thrive now—and into the future? There are opportunities to participate in person or online for a round table discussion. Please click on this link for more information: <https://standforeducation.ca/>

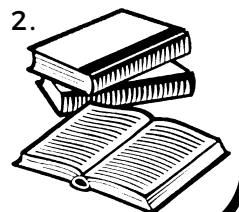

Thank you,

Mike Garrow, Principal
