Career Presentations

Career Presentations are coming again to H J Cody on March 8th. Students will have the opportunity to have a mini job shadow with two different presenters which we hope will help them in their career planning for after graduation. These presentations will focus mainly on Occupations in Demand in Alberta. Students will explore these occupations during their Connect class on February 8th. Do you know which jobs are in high demand? You can find all the information by googling "Occupations in Demand - ALIS"

If you would be interested in giving a 30 minute presentation to our high school students about your job, please contact Mrs. Bell at dbell@cesd73.ca
