Dear Parents and Guardians,

Course selections for the 2023-2024 school year will occur on April 5th during Connect. During Connect this week and next week, teachers are informing and supporting students as to what courses they will need to select for their desired postsecondary education and career paths. On April 3rd, we would like all parents to attend a session on course offerings and learning opportunities at HJC. This session will enable you to have informed conversations with your child regarding their 2023-2024 course selections.

Schedule for April 3rd:

If you are the parent of a current student in grade 9, your meeting is at 6:00pm in the Fine Arts Center.

If you are the parent of a current student in grade 10 & 11, your meeting is at 7:30pm in the Fine Arts Center.

Please review our Course Description package for information on all Gr. 10-12 courses offered through HJC. <https://www.hjcody.ca/students/student-services/courses>

We are continually working hard to improve the educational experience of our students. If you were unable to complete this survey last night at parent teacher interviews, I ask that you please take 4-5 minutes to provide us with valuable feedback. We would appreciate your perspective on our areas of strengths as well as areas of growth for improvement at École HJ Cody. [Parent Survey](#).

Thank you for all that you do to support us, if you have any questions please don't hesitate to give me a call or send me an email.

Kind regards,

Mike Garrow, Principal
