Dear Laker families,

Thank you to everyone for your support and cooperation on our Inclement weather days. We certainly appreciate having our students back to in-person learning as we prepare for final assessments and exams.

The final exam and tutorial schedules are included in this Cody Corner and on our [school website](#). Please make note of the change of in-class exam dates as a result of the Red Days. Students are expected to attend all tutorials that are scheduled during the school day and it is highly suggested that they attend tutorials that are scheduled on evenings and weekends if their schedule permits.

Please have your child bring the necessary materials with them to their exams such as a calculator, pencils, and pens. Those students who use the accommodation of "speech to text" or an audio mp3 file for their exams are reminded to bring headphones with a wire (no Bluetooth earbuds) to their final exams. All students must ensure that phones, smart devices, and earbuds are not brought into their final examination rooms. These must be left in the lockers or vehicles. Please note that the canteen will not be operating during exam week.

Students who are hoping for a course change to their Semester 2 schedule should email the staff members listed below. The last day for semester 2 course changes is February 8th. We encourage students to reach out sooner rather than later.

If you have not yet had the opportunity, please check out the HJ Cody Athletic Society's first 50/50 cash raffle! Tickets are on sale with the final draw to occur at the Senior Girls' Double Double Classic Basketball tournament Feb 3, 2024. I invite interested parents to join me for our School Council meeting on Thursday, January 25th at 7 pm in Room 102. The Athletic Society will be meeting prior to this at 6pm.

Thank you for your continued support of our school community. Do not hesitate to reach out if you have any questions.

Kind regards,
