Dear Laker families,

A reminder that Parent Teacher Interviews are scheduled for March 27th from 5-8 pm in the gym. You can sign up by clicking [here](#). The event code is: **qmy6e** The sign-up for interviews will close at noon on March 26th. If your child's teacher no longer has available time slots, feel free to email their teacher to arrange for an alternate time to connect. Our grads will be hosting a bake sale at PTIs, bring your change and your appetite!

Course selection for the 2024-2025 school year will take place on April 10th during Connect. You are encouraged to start having conversations at home surrounding course selection. You can access our course descriptions [here](#). Parents are invited to attend a parent information session on April 4th in the Fine Arts Center to learn more about High School requirements, credits, and the course offerings at HJ Cody. The meeting times are as follows:

- Presentation for parents of current gr. 9 students: 6 pm
- Presentation for parents of current gr. 10/11 students: 7:30 pm

Students will be supported by their teachers with planning their course selection for their potential career pathways in their Connect classes from March 27-April 10th.

Red Deer Polytechnic (RDP) is hosting an open house on March 23rd from 9am -1pm. This is a great opportunity for students and parents to learn more about their programs, get a sense of the campus, and for grade 12 students to receive support with a free application to their programs. You can click [here](#) to learn more about the event.

School fees can be paid on your QuickPay accounts. A reminder that our graduating students must have all their school fees (gr. 9-12) and grad fees fully paid in order to receive their cap and gown. If you have any questions about your fees, please connect with Ms. Fellows in the office.

When you have a moment, I ask you to please complete CESD's brief [parent survey](#). This survey provides the school and division feedback on how we are doing with our three strategic goals; Academic Excellence, Career Connections, and Social-Emotional Wellbeing.

Thank you for your continued support of our school community. Please do not hesitate to reach out if you have any questions.

Kind regards,
Alex Lambert, Principal
