

HJC LAKERS

Believe, Encourage, Challenge.

**CODY
CORNER**

Dates to Remember

- March 27: Parent Teacher Interviews (in-person)
- March 31: Course Selection Parent Information Night
- April 2: Parent Teacher Interviews (phone)
- April 3-5: Drama Production - Alice @ Wonderland
- April 10: Quarter 4 Begins
- April 18: Good Friday (No School)

Dear Lakers and Laker Families,

It's been another fantastic week at HJ Cody, with our students and teachers working hard while having fun along the way.

Each year, Chinook's Edge School Division asks all parents to complete a survey to share your feedback. Your input is valuable as we plan for the 2025-26 school year. You can access the brief survey [here](#).

A reminder that in-person Parent Teacher Interviews are tonight with Phone Interviews taking place on April 2nd. Our grads will have a bake sale this evening at PTIs. Bring your appetite!

We have an abundance of Lost & Found items that are currently displayed in the Common Area. Please encourage your child to take a look and claim what is theirs. Items left unclaimed will be donated on April 1st.

Our students will be selecting their courses for the 2025-2026 next week. Lakers can now view our 2025-2026 Course Description package [here](#). Below is a reminder of key dates.

- March 31: Course Selection **Parent Information Night** in the LSC
 - Future Grade 10s: 6–7 p.m.
 - Future Grade 11s and 12s: 7–8 p.m.
- April 1: Current Grade 11s select their courses during Block 1
- April 2: Current Grade 10s select their courses during Block 1
- April 3: Current Grade 9s select their courses during Block 1

Thank you, as always, for your continued support of your child's success and our school community. Should you have any questions or require additional information, please feel free to reach out.
Yours in education,

Alex Lambert
Principal

Rotary Fabric Donations

Throughout March, we're working on creating reusable products to support our mission in Uganda this April with Rotary, and we need your help!

We're looking for donations of the following materials:

- For our reusable items: Flannel is preferred.
- For our shoe patterns: Old blue jeans are perfect.
- For our supply bags: Any durable material will do!

ROCK THE DIPLOMA

- A high-impact Diploma Exam prep weekend for Central Alberta students -

Register Online: 
<https://lindsaythurber.rdpsd.ab.ca/students/career-centre/rock-the-diploma>

WEEKEND 1:

JUNE 6, 7, 8 

 English 30-1

 Social 30-1

 Math 30-1A*

(9:45 AM start on Sat & Sun)

 Biology 30A

\$135 per course in one weekend

WEEKEND 2:

JUNE 13, 14, 15 

 Biology 30B

 Chemistry 30A

 Math 30-1B*

(9:45 AM start on Sat & Sun)

 Math 30-2

\$135 per course in one weekend

WEEKEND 3:

JUNE 20, 21, 22 

 Chemistry 30B

Physics 30

\$135 per course in one weekend

Schedule: 

Friday:

6:00 PM - 9:30 PM

Saturday:

10:00 AM - 4:30 PM

Sunday:

10:00 AM - 4:00 PM

Information About Measles

Parents, Guardians, School Staff and Volunteers

Measles cases are increasing globally, with numerous countries and travel destinations reporting outbreaks including the United States, Europe and Canada. So far in 2025, Canada has seen a significant increase in measles cases and a number of jurisdictions have reported measles outbreaks. Cases of measles have been reported in New Brunswick, Ontario, Quebec, British Columbia, Manitoba and most recently, Alberta.

There are no confirmed measles cases at your school at this time; however, it is important that parents are aware of the risk and are supported by Alberta Health Services (AHS) Public Health.

Measles Illness

Measles is very contagious and is easily spread through the air. Some people who get measles can have serious health problems. In rare cases, measles can lead to death.

Measles is a viral illness. Symptoms include fever, cough, runny nose, red eyes, and a blotchy rash. Symptoms usually start 8-12 days after exposure but can take as long as 21 days to appear.

Measles may cause complications including ear infections, pneumonia, seizures, or inflammation of the brain. Complications are more common among children under five years and people who are pregnant or immunocompromised.

A person with measles symptoms should stay home, avoid contact with others, and call Health Link at 811 before visiting any healthcare facility or any healthcare provider.

Protection against Measles

The best protection against measles is to get immunized. Measles vaccines are highly effective.

In order to be adequately protected against measles, individuals born in or after 1970 need two documented doses of measles-containing vaccine.

In Alberta, measles-containing vaccines are available free of charge for eligible individuals. The routine childhood immunization program includes two doses of measles containing vaccine.

For more information about measles-containing vaccines please go to ahs.ca/immunize or talk to your/your child's healthcare provider. Parents and guardians can check that their child has received two doses of measles vaccine by calling Health Link at 811 or by contacting their local public health or community health center [ahs.ca/info/page17791.aspx]. Individuals who are 14 years of age and older can check their immunization record at myhealth.alberta.ca/myhealthrecords.

Measles Case Response

If measles is confirmed at your school, Public Health will immediately begin working with the school to keep everyone safe and reduce the risk of measles spreading.

To reduce transmission of measles, provincial Public Health guidelines require those with infection and their contacts who are not immune to measles to stay at home and away from others until the risk of spreading the disease is over.

Further, we encourage you to keep children home when showing any signs of illness. **Two doses of measles vaccine given before a school measles exposure provides protection against measles and avoids possible exclusion.**

Next Steps

If your child is not immunized, or you are unsure about you or your child's immunization status, please call Health Link at 811.

You can also learn more from myhealthalberta.ca about measles, who is at risk, and how it spreads, including:

- immunization: myhealth.alberta.ca/topic/immunization/pages/measles.aspx
- frequently asked questions: myhealth.alberta.ca/topic/immunization/documents/measles-faq.pdf
- text "measles" to 88111 for information by text message.

Thank you for your support.
