

HJC LAKERS

Dates to Remember

- May 16: Professional Development Day (No School)
- May 19: Victoria Day (No School)

- May 29: Grads return to Elementary Schools 2pm
- May 31: Grad!
- June 4: Walk A Mile

Dear Lakers and Laker Families,

It has been another great week at H.J. Cody High School. Yesterday, our Student Council, led by Ms. Smith and Ms. Figursky, organized our annual H.J. Cody Carnival. A shout out to Ms. Steinbach and the Grad Committee for organizing the fun colour run. It was wonderful to see both students and staff enjoying themselves and participating in activities that contribute to our positive school culture.

We are grateful to our RCMP partners who visited our Grade 9 and 10 classes this morning. Their 20-minute presentations focused on making positive decisions, surrounding oneself with positive influences, current trends and challenges affecting youth in our town such as bullying and other violence, and the consequences of certain actions and decisions.

The Final Exam Schedule is now posted on our website. Please take a moment to review the schedule and ensure that you are aware of your child's exam dates. As exams approach, we ask you to monitor your child's PowerSchool account to ensure regular attendance and the timely submission of all assigned work. Should you have any questions, please reach out to your child's teacher(s).

Due to rising material costs, CTS course fees will be increasing for the 2025–2026 school year. These changes are in accordance with Chinook's Edge School Division guidelines and apply across the district: General CTS and Complementary Courses: \$12 per credit, Shop/Mechanics: \$24 per credit, Foods: \$16 per credit. If this change affects your child's course selections for next year, please let me know as soon as possible so we can support you.

A reminder that school is not in session tomorrow or Monday. Enjoy the long weekend with family and friends. We look forward to welcoming our students back on Tuesday.

Thank you for your continued support of your child's education and our school community. If you have any questions or need further information, please feel free to reach out.

Yours in education,
Alex Lambert
Principal
