

- Dates to Remember**
- May 29: Grads return to Elementary Schools 2pm
  - May 31: Grad!
  - June 4: Walk A Mile
  - June 19: Last Day of Classes
  - June 20-26: Exam Week
  - June 27: Organizational Day

Dear Lakers and Laker Families,

There are only **20 days of regularly scheduled classes** remaining before we begin Final Exam Week. We encourage all students to attend each day and stay current with their assignments. Regular attendance and completion of coursework are essential to academic success during this important time of year.

We also recommend that you monitor your child's progress through **PowerSchool**, where you can view up-to-date grades for each course. If you have any questions or concerns, please don't hesitate to contact your child's teacher(s) directly.

The **Final Exam Schedule** and **Tutorial Schedule** are available on our website:

[Final Assessment Schedule](#)

Please take a moment to review these schedules and ensure your child is aware of their exam and tutorial commitments. All daytime (Mon-Fri) tutorials are mandatory with evening and weekend tutorials being strongly recommended. There is a strong connection between tutorial attendance and improved performance on final exams, and we encourage students to take full advantage of these learning opportunities.

Our school division provides access to **Solaro**, an online study tool designed to support students in core subjects. This is an excellent resource to help students review and prepare for their final exams. To access Solaro, students must sign in using their CESD email address:

<https://app.solaro.com/users/login>

CESD will be continuing with a **Diploma Exam Prep** subsidy for June writings. With Diploma Exams right around the corner, we're offering CESD students a \$50.00 subsidy when they register for Rock the Diploma (RTD) or Solaro Excelerator diploma prep courses. Please email Ms. Schaab ([rschaab@cesd73.ca](mailto:rschaab@cesd73.ca)) your registration information and receipt prior to June 22nd in order to receive the reimbursement. Students who register for the Solaro Excelerator prep course will have a \$50.00 discount applied at the time of checkout (by registering as a Chinook's Edge student). Here are the links to [Red Deer Rock the Diploma](#) and [Solaro Excelerator](#) prep course registration information. Please Note: RTD is offered in person in Red Deer. Solaro Excelerator is offered online only.

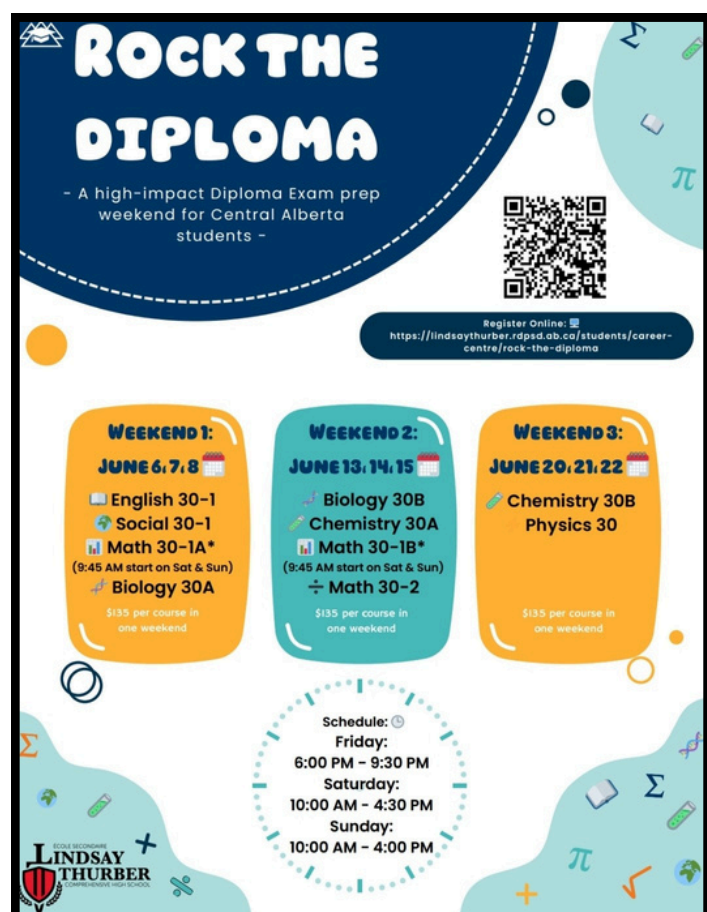

**Summer school registration is now open.** For course offerings and registration details, please visit:  
<https://www.cesd73.ca/programs/summer-school>

Our graduating students will take part in the traditional **Grad Walk-Returning to Elementary Schools** next Thursday, May 29, wearing their caps and gowns. To receive their cap and gown, **all school and grad fees must be paid in full.** You can view any outstanding balances by accessing your child's QuickPay account. For questions or further information regarding school fees, please contact Ms. Fellows in the school office.

Due to rising material costs, CTS course fees will be increasing for the 2025–2026 school year. These changes are in accordance with Chinook's Edge School Division guidelines and apply across the district: General CTS and Complementary Courses: \$12 per credit, Shop/Mechanics: \$24 per credit, Foods: \$16 per credit. If this change affects your child's course selections for next year, please let me know as soon as possible so we can support you.

Thank you for your continued support of your child's education and our school community. If you have any questions or need further information, please feel free to reach out.

Yours in education,  
Alex Lambert  
Principal

**ROCK THE DIPLOMA**
